SPELLING LIST PAGES

Benchmark Advance

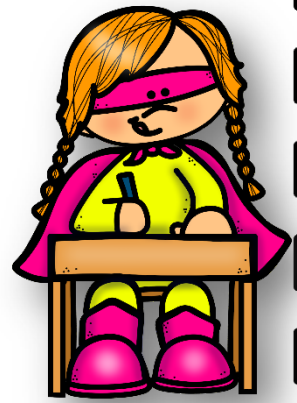

30
Lists With Space
to Write the
Words Two Times
Each

CONTENTS:

- 30 spelling lists from the first grade Benchmark Advance curriculum.
- Each list has place for students to practice the words 2 times.

DIRECTIONS AND USES:

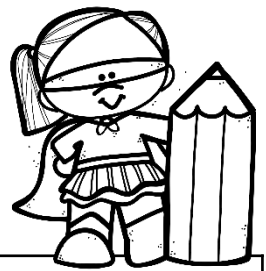

I like to put these lists in my homework packets for students to use all week long. I also occasionally use them in class as an activity in a center. Students could use the lists to build the words with magnetic letters, stamp the words, write them in markers, or rainbow write them with crayons.
